Work Experience

Support Operations Specialist

Amazon FBA

Jun. 2024 – Jan. 2026

Bengaluru, India

- Triaged 50+ weekly inventory reimbursement cases by severity and policy eligibility, following structured workflows.
- Investigated root cause analysis on seller claims, identifying policy violations and anomalous patterns.
- Maintained audit-ready case documentation with findings, decisions, evidence notes, and corrective actions aligned to evidence documentation and decision trails.
- Documented investigation findings, decisions, evidence notes, and corrective actions in audit-ready case records.

Projects

GRC Analyst Internship |

Python, audit-ready documentation, control validation, compliance tracking,

evidence completeness

- Created audit trails for decision-making processes, documenting evidence notes and corrective actions in audit-ready documentation.
- Developed a control validation framework to track compliance status and identify repeat issues, ensuring evidence completeness.
- Designed a compliance tracking system to monitor and document control validation results, utilizing audit-ready documentation and evidence completeness.

GRC Analyst Internship |

Python, audit-ready documentation, control validation, compliance tracking,

evidence completeness

- Built a structured investigation framework to escalate high-volume operations reviews, documenting evidence notes and corrective actions in audit-ready documentation.
- Developed a repeat-issue flagging system to identify anomalies in control validation results, ensuring evidence completeness and compliance tracking.
- Designed a documentation completeness framework to monitor and document control validation results, utilizing audit-ready documentation and evidence completeness.
